

Sunday Morning Education

Shepherd of the Valley offers education classes from 9:15—10:15 a.m. on Sundays. To find a class, please stop by the church office or ask a greeter in the lobby for assistance.

Children's Sunday School uses Group's Hand's On Bible Curriculum. This curriculum will help children experience the Scripture through different Bible characters and do activities that help kids grow in their friendship with Jesus. Also, during Sunday School fifteen minutes will be given to lively music and celebrations.

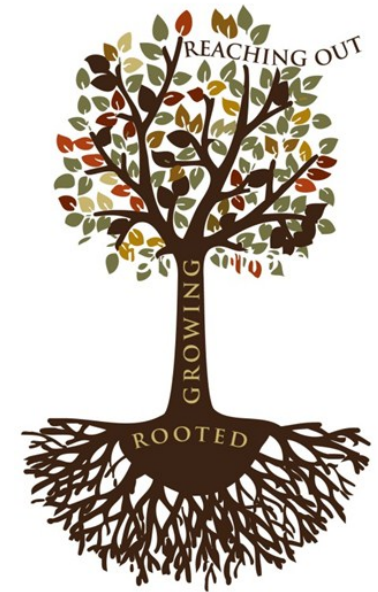

To serve you better, if your child will be attending regularly, please fill out the enclosed registration form. This form can also be found at www.shepherd-valley.org

BLAST

BLAST ministry has a Christ centered message, fun activities and interactive learning. Children will grow closer to Jesus through discussion and experiences.

Children meet in small groups led by caring Shepherds. The lesson takes the Bible point and relates it to the children's life. Kids learn through hands on activities, crafts, and snacks.

The large group portion is a presentation in the sanctuary using drama, video, and puppets. The object lesson is presented with a Bible theme along with high energy. You're sure to have a BLAST!

This class meets on Wed. nights, Sept-April, from 6:30-7:30. No classes during Advent & Lent.
